

Bedford County Fair 2025 Sponsorship Form

As the Bedford County Fair adapts to new opportunities in 2025, we are excited to invite you to partner with us for a series of community events throughout the year. Instead of one large fair, the Bedford County Fair organization will host multiple smaller events celebrating agriculture, family fun, and community pride.

Your sponsorship ensures these events remain accessible and impactful for Bedford County residents. All donations are tax-deductible as allowed by law. Please print information as you would like it to appear on promotional materials.
